The second meeting of the CACG group was held Monday 15 August 2011.

The Recommendations from the previous CACG meeting were addressed, Helen Gannon from the Department of Infrastructure and Transport provided an outline of the draft Master Plan Guidelines, R Porter provided a report on ANACC and an overview of the draft Master Plan.

It was agreed that Recommendations arising from the meeting and outlined below, need to be addressed

RECOMMENDATIONS FROM MAY 2011:

CACG Recommendation No. 2

Investigate improvements to all weather disability access to and from aircraft and advise proposed improvements.

CACG Recommendation No. 5

Investigate arrangements to improve announcements for hearing impaired people in the terminal.

RECOMMENDATIONS FROM AUG 2011:

CACG Recommendation No. 1

Review Fingal Head representation at the ANACC.

CACG Recommendation No. 2

Request representative from taxi company to attend CACG meetings.

CACG Recommendation No. 3

Respond to SC development and Energex letter.

CACG Recommendation No. 4

Investigate airside signage "Welcome to Gold Coast Airport"

CACG Recommendation No. 5

Request CASA representation at future CACG meetings.

CACG Recommendation No. 6

Investigate Golden Four Drive traffic issue.

Due to the delay of the Master Plan release date the next meeting of the CACG will be brought forward to Wednesday 26th October 2011 (from 0900-1200). A full presentation of the Master Plan will be provided by Gold Coast Airport.
